PURPOSE GROUP: Evangelism Discipleship/Sunday School Fellowship Missions/Ministry Worship
(Circle One) **Score: 28**

WEAKNESS AREAS: (From Church Health Inventory)

1. #3 – Sunday School leaders regularly attend at least a monthly workers meeting.
2. #4 – A new members class or group is made available to all members.
3. #9 – Christian financial management classes are offered.

CHURCH HEALTH ACTIONS	Date to Begin	Date to Complete	Person(s) Responsible
<p>1. Recommend Sunday School Leaders go through the resource book "3 Roles for Guiding Groups" from Lifeway. This could be taught as a 2 ½ hour Workshop on a Saturday morning. This could be the first of two worker training sessions this year that will begin to help SS leaders see the importance of attending regular workers meetings. Following two sessions in 2015 the goal would be to plan quarterly meetings in 2016. This workshop will be led by Mark Donnell.</p> <p>2. Recommend that a Pastor led New Members Class be started. This would be a required class for church membership. The format and material to be taught will be developed by the Pastor and Church Leadership Team with help from the MBC.</p> <p>3. Recommend taking the church (or at least the SS leaders) through "Sunday School Done Right" by Allan Taylor. This is a 6 session Study using video and discussion. Could be done on 6 consecutive Sunday evenings.</p> <p>4. Recommend having Spencer Hutson, MBC Stewardship Director come and lead a Christian Financial Management seminar for the church. This could be an outreach tool for the community.</p>

PURPOSE GROUP: Evangelism Discipleship/Sunday School Fellowship **Missions/Ministry** Worship
(Circle One) Score: 30

WEAKNESS AREAS: (From Church Health Inventory)

1. #2 – Church assists individual Christians in identifying their spiritual gifts and abilities for ministry/missions.
2. #3 – Church is organized for effective ministry to members, prospects, and family members.
3. #6 – Church involves individuals and groups in one on one ministry/missions opportunities through projects and special assignments.

CHURCH HEALTH ACTIONS	Date to Begin	Date to Complete	Person(s) Responsible
<ol style="list-style-type: none">1. Recommend leading the church to take the “Discovering Your Spiritual Gifts & Temperaments” Inventory provided by the MBC. This could be done as a 2 hour workshop at a time when the majority of church members could be present. Can be led by MBC Consultant.2. See Action Plan #1 on the Sunday School/Discipleship Action Plan Sheet.3. See Action Plan #3 on the Sunday School/Discipleship Action Plan Sheet.4. Recommend the church elect a Missions/Ministry Team to plan and Implement regular missions/ministry projects in the church, community and beyond. Resources and help for this team will be supplied by the MBC Missions Department.

PURPOSE GROUP: Evangelism Discipleship/Sunday School Fellowship Missions/Ministry **Worship**
(Circle One) Worship
Score: 43

WEAKNESS AREAS: (From Church Health Inventory)

- #8 – Church uses a variety of creative elements in worship services such as readings, drama, video, etc.
- #11 – Church encourages families to have a weekly “Family Bible Study” time together.

CHURCH HEALTH ACTIONS	Date to Begin	Date to Complete	Person(s) Responsible
<ol style="list-style-type: none">1. Recommend the church form a Worship Planning Team that will meet regularly to plan and evaluate the churches worship services. This team will be trained by a MBC Regional Worship Consultant. Resources to help the team will be discovered and made available.2. Recommend that the church consider moving to either the “Bible Studies for Life” Curriculum or the “Explore The Bible” Curriculum from Lifeway for all Sunday School classes. These revised curriculum have an emphasis on Family Bible Study and provide materials weekly for families to share together what they learned during Sunday School.
